1 Introduction

Max 1500 words / 4 pages (whichever is lower).

Two parts:

1 Set out your teams aims for the project, your strategy for achieving those aims, an initial timetable, and your progress so far.

2 How you will work together as a team: set out the roles you expect team members to play; how you will collaborate as a team; how you expect to handle the peer assessment; and how you will resolve conflicts (including, but not limited to, the peer assessment).

2 Part one
